

REMARKS

Attorney for Applicant has carefully reviewed the outstanding Office Action on the above-identified application. Applicant has amended the application, as set forth herein, and respectfully submits that pending claims 10-11 and 20-27 are in condition for allowance.

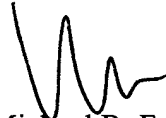

The outstanding Office Action indicated that claims 10 and 11 are allowable. Claims 16-19 stand rejected on the obviousness-type double patenting. Applicant has cancelled claims 16-19 with the intent to present these claims in a continuation application. Applicant has added new claims 20-27, all of which are dependent on claim 10.

Applicant submits that because claim 10 is allowable, the claims that depend therefrom are likewise in condition for allowance.

All issues raised in the Office Action are believed to have been addressed. Claims 10-11 and 20-27 are pending in this application. Applicant respectfully requests a Notice of Allowance.

Respectfully submitted,
